C. Band - Anthony Gnutek

April 26th is the spring band concert and the Jazz concert is May 3rd. The down payment for the competition shirts is due. Marching rehearsals are starting on May 11th. He is looking for a Memorial Day parade to participate in.

VII. VP Reports - none

IX. Questions

Linda is considering beginning next year's meetings going back to in person. The organization needs more parent participation, and it is difficult for parents to get to know each other when the meetings are all virtual. We discussed having the first meeting offsite to increase attendance and have it be more social. This would be a self-pay situation as Boosters funds cannot be used for this. Also, we need to increase fundraising opportunities for next year. Anthony Gnutek mentioned that a spring flower sale may be something to consider. We also discussed the online payment portal. It will be kept open year round instead of shutting down for part of the year.

X. Adjournment - motion made by Laura Thiesse, seconded by Holly Stumpf
